

When homes in BC
were ruined by floods,
our customers had some
unexpected visitors.

It was Charlie,
and his Claims
Catastrophe team.

Despite washed out
roads and fallen trees,

despite pandemic
shutdowns, and despite
it taking 5 hours to
travel 20km,

And you thought
your commute
was long.

they made it to
the homeowners.
All to get them back
on their feet.

Rebuilding Lives.
Why? Because
we're in it for good.

definity.
